

The **RYA Day Skipper Theory Course** is an entry level shorebased programme that covers basic seamanship together with an introduction to navigation and weather for sail and power craft.

Who is this Course for?

There is no requirement for pre-course qualifications; however the RYA considers some practical sailing experience would be helpful.

What the course includes:

- 🍷 Topics covered include: navigation, pilotage, chartwork, rules of the road, emergency & safety procedures and weather
- 🍷 2 assessment papers: Seamanship and Chartwork

Course Duration

- 🍷 Intensive 5 day course, or
- 🍷 Course can be spread over a couple of weeks

Upon Completion of the Course

- 🍷 You will be awarded the “RYA Shorebased Course Certificate for Day Skipper Sail and Power Craft”

Flexible Dates and Venues

- 🍷 Tell us the most suitable dates for you
- 🍷 Study in our relaxing, comfortable yet fully equipped classroom or, if you prefer, discuss with us an alternative venue of your choice
- 🍷 Courses usually run from 0900 – 1700 ... again this is flexible

What's included

- 🍷 Experienced Yachtmaster Instructor
- 🍷 All RYA training materials
- 🍷 Low Instructor:Student ratio (Max 1 : 4)
